Re: Herbert Brown vs. Western Express Inc.

My complaint was returned due to sending a personal check. It was logged in as received by the U.S. District Court on 10/29/09. I have enclosed my original complaint and a cashier's check for \$350.00 for the filing fee.

In my letter from the Court, the miscellaneous pro se form was left out by mistake, so this letter serves as my request for an extension.

Sincerely,

*Herbert H. Brown*
